RESIDENTIAL SERVICE
ENERGY CONSERVATION DISCOUNT
RIDER RECD-2C

AVAILABILITY

This Rider is available in conjunction with all residential service schedules provided Customer notifies Company and Customer's dwelling complies with the ENERGY CONSERVATION STANDARDS as described within this Rider and Company notifies Customer of such compliance.

Customer's dwelling is subject to inspection by Company to confirm that the dwelling meets the ENERGY CONSERVATION STANDARDS before the discount becomes applicable.

The provisions of the residential service schedules with which this Rider is used are modified only as shown herein.

MONTHLY RATE

Where Customer has received Company's notification of compliance and Customer's dwelling complies with the ENERGY CONSERVATION STANDARDS described within this Rider, the stated kilowatt and kilowatt-hour charges will be discounted by 5%.

ENERGY CONSERVATION STANDARDS

- I. All applicants first applying for service under this Rider on or after December 31, 2001, through August 1, 2002:
 - A. If the building permit for construction of the dwelling unit was issued on or after February 1, 2002, Customer must provide to Company a copy of the form certifying that the dwelling unit has met the Department of Energy/Environmental Protection Agency's Energy Star Labeled Home Certification.
 - B. If the construction of the dwelling unit was completed (or building permit issued) before February 1, 2002, Customer can qualify for this Rider if the dwelling unit would have otherwise met the Energy Conservation Standards contained in Residential Service Energy Conservation Discount Rider RECD-84.
- II. All applicants first applying for service under this Rider after August 1, 2002:
 - A. Customer must provide to Company a copy of the form certifying that the dwelling unit has met the Department of Energy/Environmental Protection Agency's Energy Star Labeled Home Certification.

III. Existing Customers Who Began Receiving the Residential Service Energy Conservation Discount Pursuant to Earlier Versions of this Rider.

Existing customers who are currently receiving the Residential Service Energy Conservation Discount and subsequent customers in those dwellings will continue to receive the energy conservation discount stated in this Rider provided they continue to meet the requirements applicable at the time they first received the discount and any modifications to the structure meet such requirements.

The Department of Energy/Environmental Protection Agency's Energy Star Labeled Home Certification criteria for each specific county served by Company is available from Company or from the Energy Star web site currently located at:
